# Gladiolus Price List

SEASON 1926

The  
Three  
A's

Quality of Bulb  
Quality of Bloom  
Quality of Variety

**FOREWORD.** I take this opportunity of thanking all who have sent me orders in the past and for the many kind words of appreciation received. I shall keep on trying to merit your confidence and approval.

**TERMS.** Cash with order. Delivery prepaid. No orders taken for bulblets after April 15th. Stock limited on some varieties, therefore, first come, first served.

**DISCOUNTS.** On orders of \$10.00 and up to \$50.00 you may select an additional 20% of the amount of your order, (your own selection of varieties from this list.) On orders over \$50.00 write for special quotations for entire lot.

**PRICES.** Following the lead of the large growers, prices have been materially reduced this season.

**COMING.** Seedlings of my own! I can see some of you shake your head and say, "Their number will soon be Legion," but until you have tried one or two, don't say a word and look for something real fine.

**PRONUNCIATION OF GLADIOLUS.** The American Gladiolus Society went on record as favoring the pronunciation—glad-i-ō-lus and using the one form for both singular and plural. *Do thou likewise.*

**WARRANTY.** I exercise great care to have everything true to name and believe everything listed here to be 100% true, however, should stock prove untrue or otherwise unsatisfactory, my liability to cease upon free replacement or refund of purchase price, but, I won't be satisfied until you are.

## WHAT OTHERS SAY

Dec. 5, 1925

As you know, you have been my chief reliance as a dependable source to procure the best of the foreign novelties as well as the most outstanding successes among our domestic introductions. Taking into consideration the quality of your stock, and the liberality and care with which you fill your orders, I am more and more surprised at the reasonableness of your prices. Here is my want list for this year; please fill as much of it as you can and let me know what you are unable to supply, so that I can try elsewhere.
